# Physicians and Office Administrators

A more efficient way to integrate images into  
Touchworks Results

As it is today...

- No images - just text
- Labor intensive to fax/receive/scan/index
- Low quality, black & white scanned images

Resulting in...

- Patient care jeopardized
- Increased physician and staff stress
- Higher administrative costs

# The PDFViewer Plug-In

View high quality color documents in  
Touchworks Results

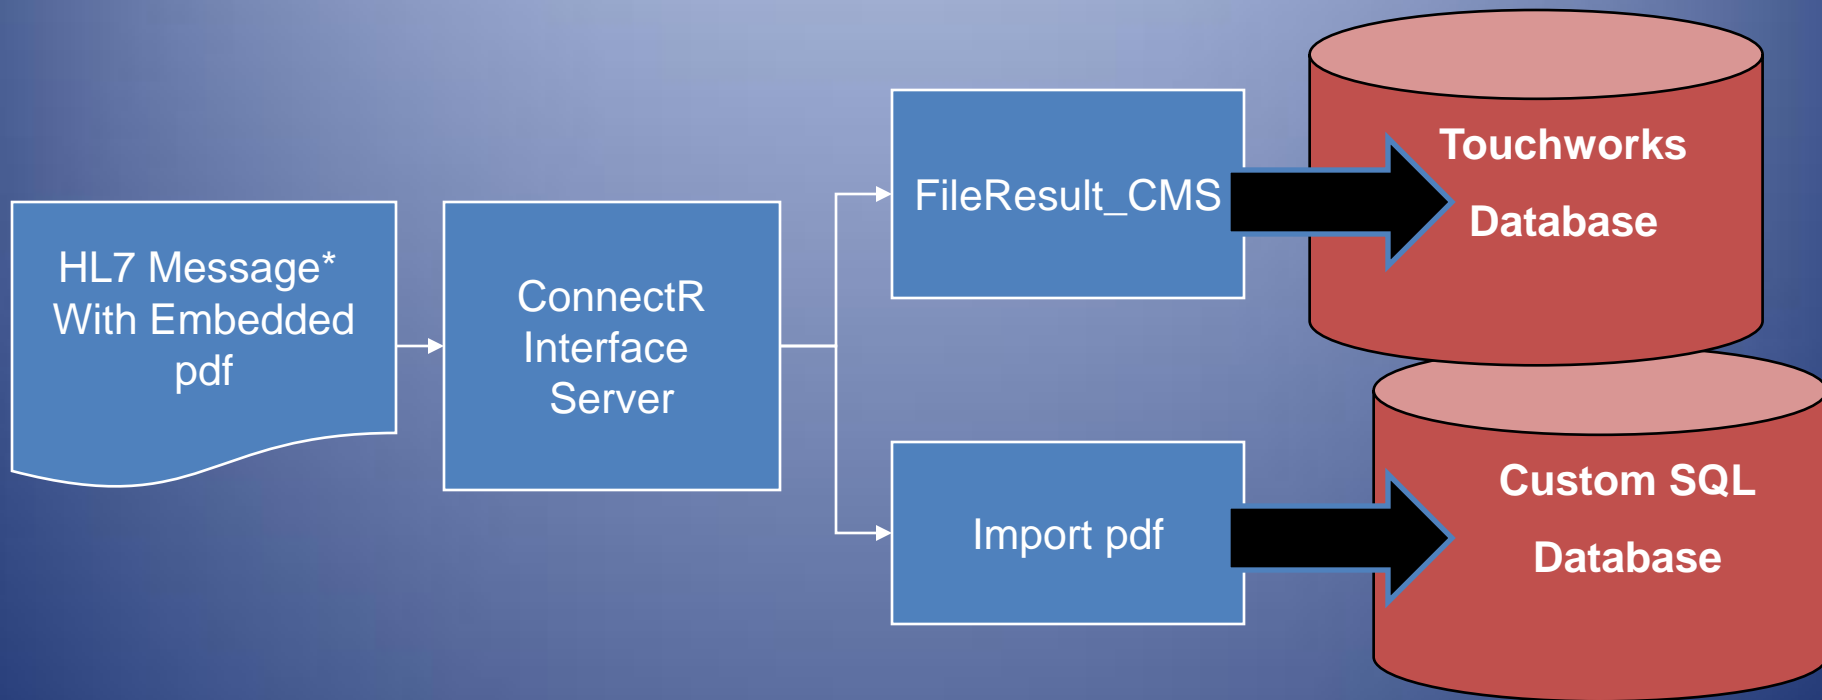

## The Way it Should Be...

- Pdfs everytime – just in time
- More complete patient medical record
- Existing capabilities leveraged

## So that...

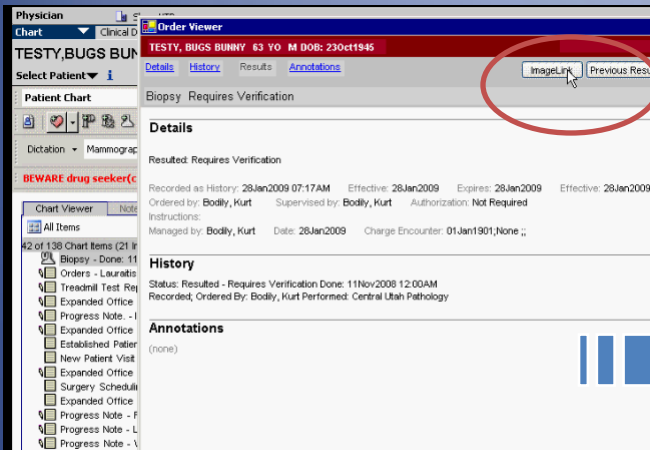

- Patient care improved
- Costs, labor and risk of errors decreased
- ROI realized
